Virtual Visits: **Get 24/7 Care, Anywhere**

Illnesses and injuries seldom happen at convenient times. Regardless whether it's after doctor's hours, on the weekend or on the road, you want access to immediate, cost-effective care.

Virtual Visits benefit from Blue Cross and Blue Shield of Texas (BCBSTX), the doctor is always in. Get 24/7 non-emergency care from a board-certified doctor by phone, online video or mobile app from almost anywhere.

Skip expensive urgent care or ER bills and waiting to see a doctor. You can speak with a Virtual Visits doctor within minutes. Services are available in both English and Spanish with translation services available in other languages.
